The New Orleans has departed from horses I thought I would tell you what I thought for Bremerton.

The Bainbridge is at Wuhu,
The Piscataqua is at Amoy.
The Albany is at Newbirg. saw. One of the very cold mornings of along Third avenue, near Sixty-seventh The Buffalo has departed from Shanghai street, and fell down on his side and could not rise. The driver ran around the corner, I presume to look up some of his fellows to help the horse up. Meantime the till he came back. A couple of mornings after that I saw a horse pulling an over-loaded ash cart, and every step he took he slipped. The driver wanted to turn him, but he could not move, the cart was so Rear Admiral Hugo Osterhaus Sends heavy and the street so alippery.
don't you think the city could get
horses shod?
